Dear Sir and Brother:

We recently completed the entire series of regional meetings. The discussion we had at Local 150's training center was representative of all of our meetings. The NTF staff has a better understanding of what we should be doing to help local training programs and we will be following up with what we learned.

By hosting the meeting and helping with hotel arrangements, you took over a big burden for planning the event.

I know that you share the NTF's high expectations for training standards and I am glad we had an opportunity for a frank and open conversation about IUOE training.

Again, your time and energy were much appreciated.

Fraternally,

Jeffrey R. Vincent
