Dear Brother Rorex,

I'd like to take this time to thank you for giving me the opportunity to assist with the Introduction to Hydro Excavating class. Hats off to Dave Bowers for coordinating the class in such a short time, I feel it was a great success. The class would not have been as successful were it not for Dan Ahearn and Hydro Exc. Inc. for providing the use of their trucks.

As I drive in on S. Arsenal Road I am always truly amazed and proud of our magnificent training site. In the future if I could be of any further assistance, please don't hesitate to call on me.

Sincerely,
