Mike Rorex,

Thank you for your attendance and cooperation at the Building Trades Expo at Illinois Valley Community College on March 18^h. Your participation in the Expo allowed the Building Trades Apprenticeship programs to be exposed to a large group of students, teachers and counselors that became aware of the quality in our training programs. Thanks to you we have received several positive comments about the Expo and the Building Trades Apprenticeship programs. Your hands on video display of earth moving equipment was a big hit with the students.
