Mr. Joseph D'Agostino, Program & Curriculum Director
IBEW Local 150 Training Center
19800 W. South Arsenal Rd.
Wilmington, Il 60481

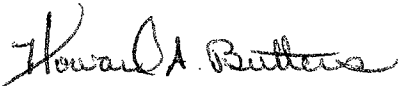

Dear Mr. D'Agostino (Joe),

I want to thank you again for assisting our school district with your advice, design and specifications concerning the asphalt pavement replacement work recently completed at our junior high school. We were very grateful to have your support. With your help and expertise we were able to have a well-planned project completed, all the while saving our taxpayers several thousands of dollars. As I write this letter I am very pleased with the end results. As superintendent I can assure you that those tax dollar savings will be reinvested in our students.

Once again, I also want to thank Scott Mancke, Vice-president of our Board of Education and a member of Local 150, for both finding you and then asking for your assistance. IBEW Local 150 should be proud to have both of you as members. Undoubtedly, both of you give/gave so freely of your time. Our community, especially our students, has definitely reaped the benefits of your efforts on their behalf.

If there is any way I can ever be of help to you, please do not hesitate to contact me. It would be a pleasure to be of assistance. The only thing I ask is that you make sure not to ask me to operate a large piece of equipment. I know my limitations!

Respectfully,

Howard A. Butters
