Dear Sirs,

I would like to take the opportunity to extend our sincere appreciation to you and your organization for allowing us to utilize your facility this past weekend. We hosted a nationally recognized public speaker within the fire service who is a recently retired Fire Chief from Lewisville, Texas. The auditorium at your facility was a perfect venue to host this seminar. It was a great day for all of those in attendance and the speaker was very impressed with the facility. I believe it exemplifies the kind of cooperation that exists among different entities within our community. Thank you to Mr. Turek who was there the day of the event to assist us with any A/V issues as well.

Once again we appreciate your assistance and look forward to working with you in the future. Please let us know if we can be of any assistance.

Sincerely,
